Full stack developer · +98-912-725-0317

Naser.r@gmail.com · [LinkedIn](#) · Naser.rafinia.info

A highly motivated senior software developer with over 10 years of experience in B2B, B2C online commerce. I've worked with several programming team members and product owners simultaneously to deliver stunning products over the years. Personally, I consider myself a conscientious person to achieve the best results with high ability and teamwork.
